

BRCONNECTORS

STATEMENT REGARDING THE REACH REGULATION (EC NO. 1907/2006)

In response to your inquiry regarding our compliance with the REACH regulation, please be advised that when using these products, BR-CONNECTORS GMBH does adhere to the December 18, 2006 European Commission (EC) regulation 1907/2006 (REACH).

The products BR-CONNECTORS GMBH purchases from its suppliers and uses in our production processes do not contain materials from the January 23, 2024 SVHC list (substances of very high concern) in a concentration of more than 0.1% mass (per article 57 and 59).

We are working diligently and continuously with our suppliers to obtain the latest information and updates regarding their products. If we receive a notification that a product exceeds the allowed limits, we will immediately inform you without any requests on your part (per article 33).

We regret that due to the number of inquiries we've received and the complexity of each questionnaire, we are unable to reply to each individual request. We appreciate your understanding in this matter and trust that this letter will be sufficient in meeting.
